| | | | | |
|--|---|---|---|---|
| High Risk and Isolating Workers | <ul style="list-style-type: none"> • The company will review working arrangements for clinically extremely vulnerable and clinically vulnerable individuals on a case by case basis. • Clinically vulnerable individuals have been asked to take extra care in observing social distancing and will be helped to work from home where possible, either in their current role or in an alternative role. • Where not possible, clinically vulnerable workers will be offered the option of the safest available on-site roles, enabling them to follow social distance guidelines. • Where clinically vulnerable people have to spend time within close proximity of other people, the company will carefully assess whether this involves an acceptable level of risk. • Current guidance is checked regarding staff and who falls into clinically extremely vulnerable and clinically vulnerable groups. • We will provide support for workers around mental health and wellbeing. This could include advice or telephone support. • Should any member of staff require to self-isolate, we will enable workers to work from home where appropriate. • The company will ensure that individuals who are advised to stay at home under existing government guidance do not physically come to work. This includes individuals who have symptoms of COVID-19 as well as those who live in a household with someone who has symptoms. | 0 | 0 | 0 |
| Social Distancing | <ul style="list-style-type: none"> • Employees must maintain social distancing in the workplace wherever possible. | 0 | 0 | 0 |
